GENERAL DIRECTIONS TO POLPERRO **(Please print all sheets including map below (3 sheets))**

The quickest way down to Cornwall is to use the M5 to Exeter. Here it merges with the A38T (dual carriageway) to Plymouth. **(For Sainsbury's Supermarket, turn left for town centre and it is immediately on the left)**. Otherwise, follow signs for the A38 to Liskeard and you will bypass Plymouth.

Cross the Tamar Bridge - good views if you are in the passenger seats. No Toll going West into Cornwall but save £1 if you want to get back to civilization!

You are now in Cornwall. Avoid Saltash by going through the tunnel and keep following signs for A38 to Liskeard. **(For Waitrose Supermarket, after going through tunnel go up long hill to roundabout and turn right signposted Callington, 200 yards next roundabout turn right, 200 yards mini roundabout turn right into Waitrose)**. You now have 10 miles of beautiful countryside intersected by deep valleys until you reach a roundabout. Turn left on the Torpoint (Looe) road A374.

After 1.5 miles take the right turning to Looe and Polperro A387 (just before an AA telephone kiosk). Take this road to Looe. You cannot drive into Looe (pedestrians only) so the road takes you past the Looe Health Centre and over the bridge.

You are now on the Looe to Polperro road (coloured red) - still A387. Go down the steep winding hill until you reach the DAY VISITORS CAR PARK for Polperro and a mini roundabout in front of the Crumplehorn Pub. Turn right at the mini roundabout signposted LANSALLOS, POLRUAN, BODINNICK FERRY for FOWEY then follow individual directions:-

Spa shop (cash machine) and Londis shop with good butcher at Pelynt - Morrisons at Liskeard or Tescos and Asda in St Austell.

CHARLIE WILCOX COTTAGE (QUAY) and WILLY WILCOX COTTAGE

If you have a wide vehicle, such as a 4 x 4 or big Mercedes, please call us for advice BEFORE attempting to drive down to the inner harbour for unloading.

After turning right, follow the LANSALLOS road (coloured blue) through the narrow lane for 1 mile. Turn left at T junction and do not worry about a sign saying "No through road to Polperro". About 1.5 miles (still coloured blue) and you are back in Polperro!

Do not turn left at the bottom of the hill but keep straight through very narrow gap between 2 buildings, down to the inner Harbour. If you have a wide vehicle such as a 4 x 4 or big Mercedes, please call us for advice BEFORE attempting to drive down towards the Quay in Polperro.

Here you can stop to unload - please park courteously. There are double yellow lines - DO NOT LEAVE YOUR CAR UNATTENDED for more than a few minutes. Parking tickets can be issued to unattended vehicles! **Cross the Fish Quay on foot to the outer harbour and the cottages - Cars are not allowed across the Fish Quay.** PL13 2QZ (Please do not go into Polperro using the satellite – follow instructions above. (Do go via Plymouth not Bodmin Moor).

You will need to go around the back of the cottages to gain access. There is a trolley to assist with luggage and a map showing your parking space or spaces in each cottage. Please telephone us to say you have arrived. There is a payphone in each cottage.

LANLAWREN COTTAGE (FOXES LODGE)

After turning right follow the Lansallos road (coloured blue) but for ONLY 80 yards (letter box mounted in wall on right), then turn right up narrow steep hill (Kellow Hill)(coloured dark red). It is important not to miss this turning and it is difficult to spot!

You now climb steeply out of Polperro. Keep on this lane for 1.9 miles until you reach the staggered crossroads - stagger across this, heading for TRENEWAN 0.7 of a mile.

Turn left by telephone box at the beginning of the hamlet and go down the hill for 0.4 of a mile. ***Lanlawren Cottage (Foxes Lodge)***, is on your left just before the turning to the right for Lanlawren Farm (Fox Valley Cottages) PL13 2PZ (Do go via Plymouth not Bodmin Moor).

BLANCHES WINDSOR and BLANCHES MEADOW

After turning right, follow the LANSALLOS road (coloured blue) through the narrow lane for 1 mile. Bear right at T junction (your road but be careful) - follow road (coloured green) for 0.3 of a mile – take next left turning by Windsor Farm still signposted LANSALLOS. 150 yards from Windsor Farm turn left through gateway down track to Blanches. Please, telephone us to say you have arrived. There is a payphone in each property. PL13 2PT (Do go via Plymouth not Bodmin Moor).
